Subject: Gender and Environment Responsive Beekeeping Project
Re: Certification of Completion

To whom it may concern:

I hereby confirm that Vision for Community Development Association (VOCDa) is sub-contracted to implement the Embassy of the Kingdom of Netherlands funded Gender and Environment Responsive Beekeeping Project in Adami Tulu Jido Kombolcha Woreda.

The objective of the contract, running from August 1, 2013 – December 31, 2015 and having a value of Euro 126,501.00 is to enhance honey and other bee products production and business emergence to sustainably diversify and enhance the livelihood base for women and men in Central Rift Valley (CRV) landscapes. VOCDa has been responsible for the implementation of the G&EB project in Adami Tulu J/K woreda.

I confirm that VOCDa has successfully carried out the above mentioned project.

Sincerely yours,

Yetnayet Girmaw
Agriculture Sector Leader
SNV Ethiopia
