#### AUDITORS' REPORT ON THE FINANCIAL STATEMENTS

OF

VISION OF COMMUNITY DEVELOPMENT ASSOCATION (VoCDA)

AS AT AND FOR YEAR ENDED DEC. 2019

P.O.B.ox;17587

## Haileyesus Chekol **Certified Accountant Authorized Auditor**

ARAPPA THA የተመለከፈስት የሂላብ ባለሙያ የተፈቀደበት ሶዲተር

## Independent auditor's report To the board of Directors

#### **Opinion**

We have audited the financial statements of Vision Community Development Association which comprise the statement of the financial position as at 31 December 2019, and Statement of Financial Performance, Statement of Change in Net Assets/Equity, Statement of Cash Flow, Statement of Comparison of Budget and Actual expenditure, including a summary of significant accounting policies.

In our opinion, the attached financial statements present fairly, the financial position of the Vision Community Development Association as at 31 December 2019and its financial performance, its statement of cash flows ,Statement of Change in Net Assets/Equity, Statement of Cash Flow, Statement of Comparison of Budget and Actual expenditure and for the year then ended in accordance with International Public Sector Accounting Standards (IPSAS) as issued by the International Public Sector Accounting Standards Board (IPSASB).

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the international Ethics Standards Board for Accountants' code of Ethics for Professional Accounts (IESBA Code) together with the ethical requirmets that are relevant to our audit of the financil statmetns in Ethiopia, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgments, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

The trader has been in IPSAS conversation process as a first time adopter. As a result, various new accounting policies have been selected and implemented. The comparative figures as well as opening balances of the previous year were reinstated based on the accounting policy selected. Proper selection and application of the new accounting policies starting from the date of transition i.e 01 January 2017 have been considered as key audit matters for our audit during the year. As a result our audit covered verification of the conversation process with effect from 01 January 2017 and consistency of the accounting policy.

## Responsibilities of the Management and those Charged with Governance for the Financial Statements

The management is responsible for the preparation and fair presentation of the financial statements in accordance with International Public Sector Accounting Standards (IPSAS) as issued by the International Accounting Standards Board (IASB), and for such internal control as management determines is necessary to enable the preparation of a Company report that is free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern, and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

#### Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the project report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonable be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statement of the current period and are therefore the key audit matters. We describe these, matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the

Chekol Certificit

Chorized Audit

adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

## Section Two: Report on Other Legal and Regulatory Requirements

The opinion in this section is given based on the audit procedures we applied in accordance with guideline 8/2004 issued by the Ethiopian Charities and Societies Agency to review compliance with Charities and Societies proclamation number 621/2009;

#### 1) Income:-

- a. Income is collected by raising cash receipt vouchers and states the source and the amounts of income correctly.
- b. Income obtained from local and foreign sources are properly classified.
- c. Income is collected through legal means and by the person delegated for the purposes.

#### 2) Expenditures:-

- a. Expenditures are accounted for when evidenced by legal and original invoices, relevant, reliable and sufficient for the purposes.
- b. Expenditures and purchases of goods and services are incurred as per the relevant regulations and authenticated by the officials of the organization.
- c. Operational and Administrative costs are properly separated. As is separated in the reported Statement of Income and expenditure the operational costs represent 81% of the total expenditures and administrative cost is 19 % of the total expenditures.

#### 3) Property administration

- a. Purchases of properties are received by raising Goods Receiving Note (GRN) and issued by raising issue vouchers.
- b. Fixed assets register are maintained with necessary details.

#### 4) Cash and bank balances

- a. Separate ledger accounts are maintained for cash on hand in the name of each cashier and counted at certain intervals and at the end of the fiscal year to strengthen internal control over it and to ascertain its physical existence.
- b. Separate ledger accounts are maintained for each bank accounts of the organization and reconciled with the respective bank statements monthly.

#### 5) Debtors

a. Subsidiary accounts are maintained for each debtor and are collectable in one year time.

#### 6) Creditors

- a. Taxes are deducted and paid over to the tax authority within the time set for settlements.
- b. Creditors are reclassified into short and long term properly.

A PRAT PAG

#### 7) Compliances with the project agreements

The Project agreement has been adhered to and the related Project Funds have been used exclusively for the purpose of the Projects in accordance with the project Agreements.

In our opinion, the attached financial statements of Vision Community Development Association as at 31 December 2019 complies with Charities and Societies Proclamation number 621/2009 issued by the Ethiopian Charities and Societies Agency.

## VISION OF COMMUNTY DEVELOPMENT ASSOCATION (VoCDA) NOTES TO THE ACCOUNTS

FOR THE YEAR ENDED 31 DECEMBER 2019

Note 1. General Information

#### 1. Background

The Organization

#### 1.2.1 Establishment

Vision of Community Development Association) (VoCDA) is an indigenous secular NGO established in 2003 as local NGO and currently registered as per the new law 1113/2019 "charitable organization"

Currency: Ethiopian Birr

Legally registered with CSO agency policy as charitable organization and its registration number is 0129. E26

Entered in to Operational and project agreements with Federal and regional concerned bureaus,

Specific Project Agreement is signed with planning and Finance and economic cooperation,

Agriculture and natural resource Bureau, and Women and Children's Affairs bureaus.

#### 1.2.3 VISION

To see prosperous communities where all community members use their capability and livelihood asset to realize a sustainable livelihood,

#### 1.2.4 MISSION

We exist,

To empower poor, women and vulnerable households,

To bring about sustainable development and positive social

transformation; and promote human dignity for all citizens,

#### 2.1 Statement of Compliance

These Financial Statements have been prepared in accordance with the 'International Public Sector Accounting Standards' for the accrual basis of accounting - "Accrual IPSAS" issued by the 'International Public Sector Accounting Standards Board' and in the manner required by the 'Civil Society Organization Proclamation No. 1113/2019'.

#### 2.2 Basis of preparation of financial statements

These Financial Statements have been prepared on historical cost basis. The principal accounting policies are set out below. The Financial Statements are presented in Ethiopian Birr, which is the functional currency of the Organization.

#### 2.3 Property, Plant and Equipment

Property, plant and equipment asset are capitalized if their cost is greater than or equal to the thresholds limit set at birr 5,000. The threshold level is reviewed periodically. They are depreciated over the asset's estimated useful life using the straight line method.

Property, Plant and Equipments are recognized initially at cost as per IPSAS 17 and subsequent to recognition as assets, items of property, plant and equipment that are accounted under the cost model are carried at cost less any accumulated depreciation and any accumulated impairment losses. Assets are reviewed annually to determine if there is any impairment in their value.

Depreciation is charged on the straight line basis at the following rate per annum:-

| Asset Class and Description    | Estimated<br>Useful Life |
|--------------------------------|--------------------------|
| Motore and padal cycle         | 20 (Year)                |
| Computer and accessories       | 20 (Year)                |
| Office Equipment and furniture | 10 (Year)                |

# VISION OF COMMUNTY DEVELOPMENT ASSOCATION (V<sub>0</sub>CDA) NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 31 DECEMBER 2019

Currency: Ethiopian Birr

## Note 3. Basis of preparation of financial statements

#### 3.1 Basis of measurement

These financial statements are prepared on an accrual basis of accounting in accordance with IPSAS and the Financial Regulations and Rules of Vision of Community Development Association. Accounting policies have been applied consistently throughout the year. The financial year is from 01 January to 31 December 2019.

#### 3.2 Critical accounting estimates

Preparing financial statements in accordance with IPSAS requires the Organization to make estimates, judgments and assumptions in the selection and application of accounting policies and in the reported amounts of assets, liabilities, revenues and expenses. For this reason, actual results may differ from those estimates. Accounting estimates and underlying assumptions are reviewed on an ongoing basis, and revisions to estimates are recognized in the year in which the estimates are revised and in any future year affected. Significant estimates and assumptions that may result in material adjustments in future years include actuarial measurement of employee benefits; selection of useful lives and the depreciation/amortization method for property, plant and equipment.

#### 3.3. Going concern

These financial statements were prepared on the assumption that the organization is a going concern and will continue in operation and will meet its mandate for the foreseeable future (IPSAS 1). The Management of Vision of Community Development Association have not communicated any intention to terminate the Entity or to cease its operations.

## VISION OF COMMUNTY DEVELOPMENT ASSOCATION (V<sub>0</sub>CDA) NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 31 DECEMBER 2019

Currency: Ethiopian Birr

#### 4.3 Short-term employee benefits

As per IPSA 39 when an employee has rendered service to an entity during an accounting period, the entity shall recognize the undiscounted amount of short-term employee benefits, such as unused annual leave, expected to be paid in exchange for that service as a liability and as an expense unless the cost relates to inventory or property, plant or Equipment in which case it will be treated as per requirements of the relevant standard.

#### 4.4 Post Employment Benefits

The severance payment due to employees are considered by the Organization to be post employment benefits. The Organization does not consider the actuary assumption to calculate severance payable amount. Instead, the Organization's severance payable is calculated as per the organization simple policy that is One month salary provision for a full year service and proportionate will be computed for a service less than a year. This is consistent and comply with the minimum labor proclamation No 1156/2019. The effect of using this method instead of actuary assumption is immaterial. Remeasurements of the obligation is done each year at the reporting date and additional obligation shall be recognized as an expense.

#### 4.5 Termination benefits

Termination benefits are recognized as an expense only when VoCDA is demonstrably committed, without realistic possibility of withdrawal, to a formal detailed plan to either terminate the employment of a staff member before the normal retirement date, or provide termination benefits as a result of an offer made in order to encourage voluntary redundancy.

Employee benefit includes severance expense which is directly deposited into employees personal saving account the practice may entails personal drawings and also the related expense charged annually has not been reflected in statement of financial position.

#### 4.6 Revenue and expense recognition

All fund transfer from the donations and members contributions are recognized as revenue and all expenses incurred in the same fiscal year is recognized as an expense. If the fund transfer and expense paid for the next fiscal year, it will be accrued to the new fiscal year.

#### 4.7 Revenue from exchange transactions

In Vision of Community Development Association cases Exchange transactions are only those in which the Organization sells of Seedling. Revenue comprises the fair value of consideration received or receivable for the seedling. Revenue is recognized when it can be reliably measured; when the inflow of future economic benefits is probable and when specific criteria have been met.

## VISION OF COMMUNTY DEVELOPMENT ASSOCATION (V<sub>0</sub>CDA) NOTES TO THE ACCOUNTS

FOR THE YEAR ENDED 31 DECEMBER 2019

Currency: Ethiopian Birr

#### 4.8 Provisions

A provision is recognized if, as a result of a past event, Vision of Community Development Association has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are measured at the present value of the expenses expected to be required to settle the obligation. The increase in a provision due to the passage of time is recognized as a finance cost.

#### 4.9 Contingencies

#### 4.9.1 Contingent assets

A contingent asset is disclosed when an inflow of economic benefits or service potential is probable. If it has become virtually certain that an asset is no longer contingent and that its value can be measured reliably, the asset and the related revenue are recognized in the year in which the change occurs.

#### 4.9.2 Contingent liabilities

A contingent liability is disclosed unless the possibility that it will be realized is remote. If it becomes probable that a contingent liability will be realized, a provision is recognized in the year in which the change of probability occurs.

#### 4.10. Change in accounting policies and estimates

Vision of Community Development Association recognizes the effect of change in accounting policy and change in accounting estimates retrospectively at the date of adoption and after adoption of IPSAS, change in accounting estimates applied prospectively and change in accounting policy applied retrospectively

#### 4.11. Statement of cash flow

The cash flow statement is prepared using the indirect method permitted under IPSAS 2. This means that the actual result for the financial year is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments, and items of revenue or expense associated with investing cash flows.

The cash flow statement reports cash flows during the period classified by operating and investing activities and the financing activities.
